

## **Abstract Submission Instructions for Biozest 2018**

Greetings! *Biozest* 2018 provides you a platform to showcase your scientific/research work through oral or poster competition events scheduled for **December 6, 2018**. Open to all Masters and Ph.D. students and to postdocs in any area of life sciences or biotechnology, within the Delhi-NCR region, these events will help you disseminate your work to a larger audience. Preference will be given to all postdocs and senior Ph.D. students to give an oral presentation while allowing all others to showcase their research work in the form of a poster.

Here are the instructions for abstract submission:

1. Abstract for oral or poster presentation should be prepared not exceeding 300 words and should include the background, objective, methods, results and conclusion.
2. Each abstract should include a title, names of all the authors, affiliation and email address of the participant.
3. **The presenting author should be the first author on the abstract.**
4. The participant should choose the preference for “oral presentation” or “poster presentation” during the submission process. The *BioZest* committee would decide and inform the students accordingly.
5. All participants who are submitting an abstract are required to register for *BioZest* 2018.
6. Abstracts should be written in Times New Roman font (size 12, spacing 1.5).
7. **Abstracts should be saved as PDF and sent to [biozest18@gmail.com](mailto:biozest18@gmail.com) on or before 27<sup>th</sup> November 2018.**
8. The best oral presentation and the best poster will each be awarded. The award will be based on the quality of research and presentation skill. All participants will receive the “Certificate of Participation” from the Organizers.
