However, their registration will take place only after their results are declared and they have secured the minimum required percentage of marks or an equivalent grade as stated in the eligibility criteria of the University. In case a student does not have the required percentage of marks or an equivalent grade for admission after declaration of the result of the qualifying degree, her/his admission will be cancelled and s/he will be eligible for full refund of fees. Students who have secured the required percentage of marks or an equivalent grade but still want to cancel their admission will only be eligible for refund of security deposit.
4. Registration for the Second Semester will be done only for those students whose results have been submitted to the University and who have secured the required percentage of marks or an equivalent grade for admission.
5. Since students are not expected to report at the SAU campus this semester, those who qualify for any SAU Scholarship will only be eligible for remission of fees and that also only if their results have been declared and they fulfil the minimum eligibility criteria of the University.
