## Notification No. 03/2024

**Subject:** Grant of interim relief to the eligible Masters and PhD students (admitted in 2024) - reg.

Since the approval of the SAARC Silver Jubilee Scholarships (SJS) from Ministry of External Affairs (MEA), Government of India is still awaited and all Fellowships/Scholarships/Freeships including SJS are interrelated, the University has not been able to award any of these fellowships.

In view of the above, considering the financial constraints of the students and without any further delay, the Competent Authority has decided to extend an interim relief to the students listed below. The Masters students will receive a lump-sum amount of INR 30,000 and the eligible non-Indian PhD students will receive INR 13,000 per month from their date of eligibility. However, the eligible Indian PhD students will receive INR 25,000 per month from their date of eligibility.

The amount disbursed will be adjusted/recovered once the MEA approval for SJS is received and the University awards all the Fellowships/Scholarships/Freeships in each category retrospective.
